REFINED AND UNIQUE FURNITURE

WHO WE ARE

Astello's driving and creative forces are **Thierry Massant**, art-historian, cabinet-maker and antiquarian, and **Dominique Malcor**, cabinet-maker and a qualified member of the prestigious Union Française des Experts in the fields of antiques and artworks.

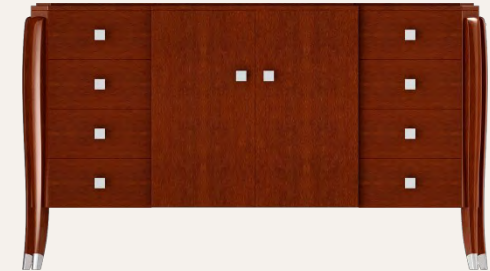

We have devoted many years to designing and making bespoke furniture of the highest quality.

OUR ART DECO COLLECTION

In their design of this unique collection, Thierry Massant and Dominique Malcor have brilliantly captured and faithfully revived **the spirit of the 1930s** Art Deco movement.

Their creations breathe the **modernist aesthetic** in all its **purity of line** and constant quest for **lightness of form**.

We offer a full and matching range that means you can put together a unique ensemble to suit you, whatever your needs and living space.

EACH PIECE IS UNIQUE

We make each piece, exclusively to order and specifically for you.

You can choose from our wide range of finishes:

- A huge variety of lacquers and colours.
- Different wood shades: mahogany, walnut, cherry-tree, etc.
- Different veneers: Makassar ebony, oak, walnut, etc. (ask for a quotation)

YOUR FABRICS OR OURS

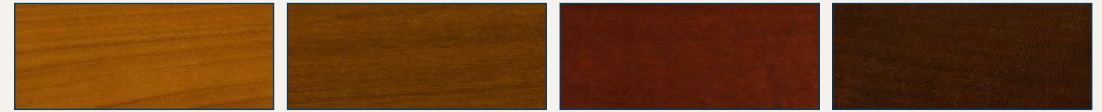

We can cover our seats with **your own fabrics**.

We also offer **our own range of fabrics designed by Pierre Frey, Bousac et Fadini Borghi**.

We selected a dozen fabrics, with nearly 250 colours, as they are perfectly in harmony with our creations.

They are included in our price listings and we take care of everything.

EXCEPTIONAL QUALITY

All our furniture is made in the traditional way by **gifted craftsmen** who give each piece a **warm and unique character**.

For instance, it takes seven stages of painstaking work to make sure our lacquers deliver the exceptional look and excellent resistance they are designed for.

OUR CUSTOMERS

We work with **interior designers, architects** and **shops** throughout the world.

We help create **hotels, restaurants, prestigious locations** and **private projects**.

Our customers can count on our long experience and wealth of expertise.
