REFINED AND UNIQUE FURNITURE

WHO WE ARE

Astello's driving and creative forces are **Thierry Massant**, art-historian, cabinet-maker and antiquarian, and **Dominique Malcor**, cabinet-maker and a qualified member of the prestigious Union Française des Experts in the fields of antiques and artworks.

We have devoted many years to designing and making bespoke furniture of the highest quality.

OUR ART DECO COLLECTION

In their design of this unique collection **for the garden**, Thierry Massant and Dominique Malcor have brilliantly captured and faithfully revived **the spirit of the 1930s** Art Deco movement.

Their creations breathe the **modernist aesthetic** in all its **purity of line** and constant quest for **lightness of form**.

We offer a full and matching range that means you can put together a unique ensemble to suit you, whatever your needs and living space.

MADE TO TRADITIONAL CRAFT STANDARDS

All our furniture is made using traditional techniques by gifted artists which gives them a warm and unique character.

We only use **high-quality teak from plantations**, sourced from Indonesia.

All our furniture are traditionally assembled and fixed with high-quality marine adhesive.

OUTDOORS ALL YEAR ROUND

Each piece can be left outside all year round as they are made of **imperishable teak**.

Left to itself, teak will over time develop an elegant grey patina while if it is treated with oil it will retain its original golden-brown sheen.

YOUR FABRIC OR OURS

Cushions are all removable and made from materials selected for outdoor use.

We can cover our cushions with:

- **your fabrics,**
- **our own fabric range** (designed by Boussac and Trekatex), all available in **many colours.**

For further information, see the end of this brochure.

OUR CUSTOMERS

We work with **interior designers, architects, landscape architects** and **shops throughout the world.**

We help create **hotels, restaurants, prestigious locations** and **private projects.**

Our customers can count on our long experience and wealth of expertise.
