REFINED AND UNIQUE FURNITURE

WHO WE ARE

Astello's driving and creative forces are **Thierry Massant**, art-historian, cabinet-maker and antiquarian, and **Dominique Malcor**, cabinet-maker and a qualified member of the prestigious Union Française des Experts in the fields of antiques and artworks.

We have devoted many years to designing and making bespoke furniture of the highest quality.

CLASSIC STYLE IN THE GARDEN

Thanks to Astello, classic furniture can now work anywhere.

This collection lovingly explores **Regency, Louis XV, Louis XVI and Romantic** styles, taking the elegant and exclusive atmosphere of period furniture onto the terrace, alleys, garden and veranda, even to the poolside.

We offer **a full and matching range that** means you can put together a unique *ensemble* to suit you, whatever your needs and living space.

EXTENDED COLLECTION

The possible combinations of **styles, furniture, sizes and finishes** mean the collection can adapt to any environment and each situation, so you can live outdoors in the style and comfort you want.

Depending on the model you can select from **up to eight base patterns** (seat and back), so that chairs, sofas and loungers can harmonise with nature or, if you prefer, set up a jazzy contrast in line and form.

MADE TO TRADITIONAL CRAFT STANDARDS

All our furniture is made using traditional techniques by gifted artists which gives them a warm and unique character.

We only use **high-quality teak from plantations**, sourced from Indonesia.

All our furniture are traditionally assembled using **mortise and tenon** joints fixed with high-quality marine adhesive

OUTDOORS ALL YEAR ROUND

Each piece can be left outside all year round as they are made of **imperishable teak**

Left to itself, teak will over time develop an elegant grey patina while if it is treated with oil it will retain its original golden-brown sheen.

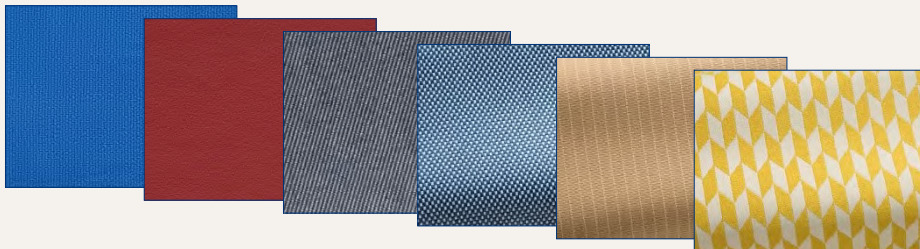

YOUR FABRIC OR OURS

Cushions are all removable and made from materials selected for outdoor use.

We can cover our cushions with:

- **your fabrics,**
- **our own fabric range** (designed by Boussac and Trekatex), all available in **many colours.**
